Allan Bloom Lecture at Yale University (VIDEO)

By Yoram Hazony, November 27, 2018

I spent most of October in the U.S. speaking about my new book *The Virtue of Nationalism*. Among many other venues, I spoke at the three universities: Princeton, Yale, and Catholic University of America in DC.

For those who didn't manage to make it to my talks, below is a video of my lecture before the Allan Bloom Forum at Yale University. Thursday, October 25, 2018.
